Intermedia artwork by Heather Zinger and sculpture by Laura Walker will be on view at the Art on Alberta at Grow Gallery during Last Thursday on Alberta, Thursday, May 28, 2009. Heather's work explores new ways of seeing and experiencing her body through the mediums of text, photography and performance. The pieces often use ordinary objects in unconventional ways to expose the absurdity of living with a chronic, indefinable illness. Humor and tension are reoccurring undertones in the work.

Laura's work is a family portrait created by casting the hands and arms of family members. Her pieces capture the history and set roles that are played out in the family. The exhibit may be seen 6:00 to 9:00 pm. Art on Alberta at Grow Gallery is located at 1614 NE Alberta St. For more information about Art on Alberta, go to: www.artonalberta.org
