

Last Thursday

*****The Art on Alberta Grow Gallery is closed until the April 30th Last Thursday event.*****

There has been a "Last Thursday" on Alberta Street since 1997. The event is held every month, year round. The galleries, studios, restaurants and other art venues on the street open their doors for a celebratory evening of art. Generally the galleries are open between 5 to 9:30 p.m.

We publish a monthly Last Thursday walking map, which identifies the art activities, sponsored by Art on Alberta members. [Download the current Art Map here](#)

Be sure to visit us at 1614 Alberta Street on Last Thursdays from 6pm-9:30pm for our special one night only Last Thursday art exhibits. We showcase art from our members, and it is a great way to get publicity in a professional and attractive exhibition space.
